

YOU N' ME! presents original clothing with hand printed authorial graphics, which highlights the themes of nature, the world and its secrets.

YOU N' ME! clothing displays originality, a strong connection with nature, and the easy going vibes of street fashion.

The clothing gives children and tweens the possibility to play with fashion and create their own styles for different occasions.

The ideology of the brand is to create a few new collections per year, which each have a unique series of clothing.

YOU N' ME! clothes allows kids to make a mark among the crowd, stay unique and display their selfhood.

The brand offers clothes for children from sizes 3 to 12 years old who appreciate good quality and sophisticated design.

All clothes are designed and **made in Poland**. The clothes are made from organic and eco-friendly textiles from Polish manufacturers.

The fabrics are all **GOTS certified and Oeko Tex Standard 100**.

In my collections I restrict myself to use a defined palette of colours, which is universal and a good base to create original outfits.

My authorial prints refer to the nature but are not too assertive, only to stress the character and the theme of the collection.

I am looking for inspiration everywhere, but modern culture inspires me the most. Culture which is on the borderline between nature and visual art.

A young girl with long brown hair is shown in profile, looking towards the left. She is wearing a light blue t-shirt with a graphic of a beetle and a large, yellow, pleated paper flower in her hair. The background is a blurred indoor setting with shelves and other people. A semi-transparent white box with a diagonal split is overlaid on the image, containing the text 'CHERRY BLOSSOM!' and 'SS20'.
